

POZ presents everything you need to know about 52 ASOs to guide your year-end giving—from what programs they offer to which communities they serve and how much of your donated dollar will fund services (not overhead). Plus, we tell you how much money comes from funding sources that some activists find controversial, such as drug companies or the government, and whether top salaries are at epidemic proportions. All information is self-reported.

ANNUAL GIVERS GUIDE

LEGEND	 Medical research	 Meals/transportation	 Political lobbying
	 Treatment newsletter	 Support groups/counseling/buddies	 Street activism/demonstrations
